## **“Courting North Carolina: The Courts of the Tarheel State” Part 1**

For more information and to view the webinar, go to [www.ncgenealogy.org](http://www.ncgenealogy.org)

Our North Carolina ancestors left a treasure trove of records in the courts of their time. Finding the right court and the right records can be a challenge, yet understanding the records of the courts closest to the average citizen is a skill that’s crucial to finding clues to family history in the Tarheel State. Part 1 examines colonial and early statehood records. Part 2, which will be presented live in September 2018 as a member benefit, will cover post-1868 state records and the records of North Carolina’s federal courts.
